3. Testing Certification

Mapleton School District #32 certifies that it is in compliance with all plan components, including any and all testing required by any part of the plan.

4. Testing Results

Mapleton School District #32 is current with all required testing as of the date of this document. Test results can be found on the district's website at www.mapleton.k12.or.us. Mapleton School District #32 will also use current district email lists or communications programs to provide final test results to staff, students, parents of minor students, and other members of their community. This includes providing actual final test results or providing direct access to final test results through links in the communications. Please contact busmgr@mapleton.k12.or.us to be added to current district email lists and programs. Specific test results can be found as follows:

- Lead in Water: https://www.mapleton.k12.or.us/?page_id=1949
- Radon: https://www.mapleton.k12.or.us/?page_id=1949

5. Website Link Maintenance

Mapleton School District 32 certifies that all website links for plan information and test results are current and functional.

6. Major Exposure Reduction Activities

Mapleton School District 32 has completed the following major activities, which resulted in reduced risk of exposure to hazardous materials:

Facility Name	Building Identification Number (BIN)	Activity resulting in reduced risk of exposure to hazardous materials	Type of hazard addressed	Date of activity	Estimated cost of remediation
N/A		N/A	N/A	N/A	

I certify that the above information is true and accurate to the best of my knowledge.
